Rainouts

If it starts raining before the outing has started, making the course unplayable, the outing will be canceled. We are limited in our ability to reschedule an outing in the event of a rain cancellation because of high demand. If rescheduling is desired, please speak with our Golf Operations Manager to check availability. If an outing has started and is canceled during play, due to weather, Pine Hills protocol is as follows:

- If less than 3 holes have been completed = 18 Hole golf passes* will be issued to all participants
- If more than 3 holes, but less than 12 holes, have been completed = 9 Hole golf passes* will be issued to all participants
- If more than 12 holes have been completed = the outing is considered complete and the scores will be totaled accordingly

In the event that an outing is shortened, due to weather, the food service times are subject to change to accommodate participants.
